## REFRESH YOUR FINANCIAL SECURITY THIS SPRING

Spring is the perfect time to **refresh your financial security habits**. Take a few minutes to review your accounts, update security settings, and strengthen your protection against fraud.

### REFRESH YOUR PASSWORDS

Use strong, unique passwords and update them regularly to help keep your accounts secure.

### REFRESH YOUR ACCOUNT MONITORING

Check your transactions often so you can quickly catch anything unfamiliar.

### REFRESH YOUR ALERTS

Turn on account alerts so you're notified right away of purchases or suspicious activity.

### REFRESH YOUR DEVICE SECURITY

Keep devices updated and, if possible, avoid accessing financial accounts on public Wi-Fi networks.
