

# FMFCU's SECURITY NEWSLETTER

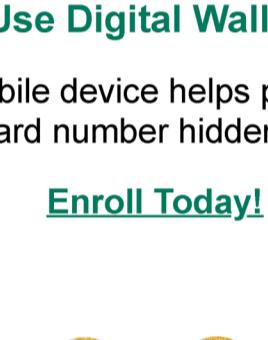

December 2025  
Edition

Checking off your holiday shopping list should feel rewarding, not stressful. Even with all the holiday cheer, fraud can still happen.

Keep your FMFCU Debit Card and accounts protected with these four simple tips:

## Use Digital Wallets

Adding your card to a mobile device helps prevent skimming and keeps the card number hidden online.

## Set Up Debit Card Manager

Stay in control by setting alerts, adjusting spending limits, and turning your card on or off when needed.

## Review Transactions Regularly

Make it a habit to check in Digital Banking to confirm each transaction is accurate and matches a purchase you actually made.

## Shop From Legitimate Retailers

Before making a payment on an unfamiliar website, research the company to confirm it's trustworthy.
