

SAVE, SHARE, SPEND, EARN

Welcome to
BEAR COUNTRY
CREDIT UNION

Bear Country Credit Union is a magical place where the bears make their money grow!

The Credit Union helps cubs and their parents to open savings accounts, save for a rainy day, add to their nest egg, and keep their money safe. Bears also learn how to keep track of their money.

The Berenstain Bears have partnered with Franklin Mint Federal Credit Union to open this part of Bear Country. So, at you may learn how to save, share, and spend just like Brother and Sister Bear!

*"When little bears spend
Every nickel and penny,
The trouble with money is—
They never have any!"*
